

## what about the turkey?

We have sold free-range turkeys from Misty Knoll Farm in Vermont since 1996. They are **\$6.25/lb**, and run from 12 to 26 pounds. Boneless turkey breast averages 3 pounds, **\$9.99/lb**.

Figure 1 1/2 lbs per person (raw weight) will give you enough turkey for the holiday meal, plus leftovers. So for 10 people, you'd look for a turkey around 15 lbs.

Turkeys are available in 4 size ranges:

**12-16 lbs 16-20 lbs 20-23 lbs 23-26 lbs**

We aim to match your turkey to the requested size but there will be variation.

Order your turkey by Thursday, Nov 13

Place orders for the rest of your Thanksgiving food by Wednesday, Nov 19
